

Valero Breaks Ground at Harris Branch

“Valero has begun construction of a service station/convenience store on the northwest corner of Harris Branch Parkway and Parmer Lane. Situated at 12300 Harris Branch Parkway, the 4,835 square foot facility will offer fuel with 32 pumps, as well as fast food and typical convenience store items.”

John McCullough, Senior Vice President, Land Development: Galesi Austin

Valero maintains a refining throughput capacity of 3 million barrels per day, making it the world’s largest independent refiner. The company ranks number 12 on the current Fortune 500 list and is based in San Antonio, Texas.
